MARCH, 2017

CATHEDRAL OF ST. HELENA LENTEN PROJECT 2017

The Cathedral of St. Helena is partnering with The Julius Foundation (TJF) for the 2017 Lenten Project which is to finish an addition to The Holy Trinity School near Kampala. Fr. Julius Bwowe is the founder and director of the school which offers a secondary education for those who have completed primary levels. This school addition would provide a classroom structure for the increasing enrollment of students. The school addition is half completed at this time; it will take \$25,000 to complete it. Holy Trinity School and surrounding community is also the site of the Carroll College chapter of the Engineers Without Borders clean water project. Father Julius sees education as the means to lift communities out of poverty. The development of Holy Trinity School will serve as a model project for other communities to follow.

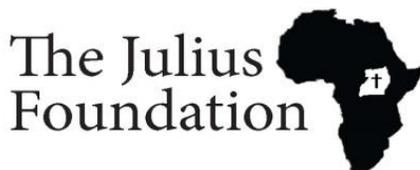

Please consider supporting this worthwhile project. Your tax deductible donations can be placed in the Cathedral collection, dropped off at the parish office, or mailed to The Julius Foundation, 3312 Dunlap Drive, Helena, MT 59602. *Please make checks payable to The Julius Foundation.* You can also make a secure donation on-line at www.thejuliusfoundation.org. TJF is a 501(c)3 charitable organization.

EWB UPDATE

The Carroll College Engineers Without Borders team traveled to Uganda in May, 2016 for an assessment trip at Kawango B village near Kampala, Uganda. They are planning a water system for the Holy Trinity School and surrounding community serving approximately 700 individuals. Since returning, the team has developed alternatives such as borehole rehabilitation, rain water collection, bio-filters and well drilling. Several students and professional mentors will return to Uganda in May 2017 to gather more data, meet with the community, and begin the process of implementation. The five year project will work toward a sustainable solution to the existing lack of clean water.

“Please convey our deep appreciation for the great love and support” - Fr. Julius Bwowe
